

Academic GOAL

Copyright & Restrictions on Use

Professors,

We are pleased to offer you access to the below listed educational material. We hope that both you and your students find it helpful. You may use Academic GOAL as part of your online course material at your university, live and recorded. We do, however, require that you use these materials with the utmost care and concern for their enduring copyright protections. Please do not publish these materials in any form that might be used for commercial purposes, now or in the future. If you are concerned about the permitted use of these materials, please contact us.

The ownership of GOAL (including but not limited to all questions, solutions, illustrative materials and videos) shall remain with ArchiMedia Advantage LLC (“ArchiMedia”) and, as such, ArchiMedia hereby owns all right, title and interest in GOAL and all copyrights subsisting therein throughout the world, including but not limited to all electronic media rights, in all forms.

Thank you for respecting our intellectual property!

Best,
