

ERRATA IN THE SECOND EDITION OF *Models for Quantifying Risk*
September 19, 2008

Page 14

In the first line after formula (1.47), $a_{\overline{n}|}$ should be $\ddot{a}_{\overline{n}|}$.

Page 146, solution to Example 5.9

In the fifth line, there should be a "3" right after the first equal sign and before the multiplication dot.

Page 216, Example 7.1

$d = .05$, not $.06$.

Page 579, Solution to Exercise 4-1, part (b)

The value of l_4 should be 1296, not 1290.
