New: Actuarial Exam Tactics, 2nd Edition

Looking for tips to help your students study more effectively? Sample our textbook Actuarial Exam Tactics: Learn More, Study Less co-authored by Roy Ju, who became the world's youngest FSA at the age of 20.

Available to Actuarial & Math Departments & Clubs at \$15.95/ea. Some universities have adopted it as required reading for an introductory course or as a welcome gift for incoming actuarial science students.

Visit www.actexamdriver.com/actuarialresourcecenter.aspx to request a professor login.
