## Introducing

# Academic GOAL

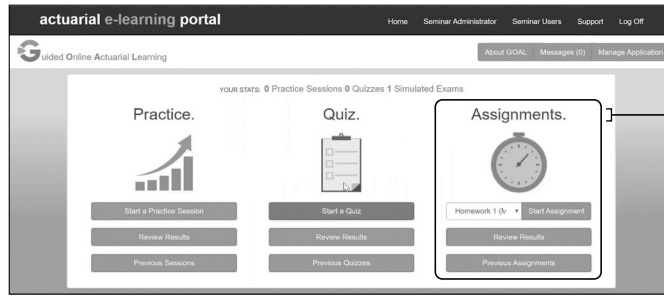

## Free, online actuarial science lecture and classroom tool for professors

### An Actuarial Science Online Classroom Tool Unlike Anything You've Seen!

Academic GOAL provides professors with a free actuarial science database of over 10,000 questions from which to build assignments like homework, quizzes and tests. Professors have 100% control over questions, solutions and content allowing for customized learning. If it seems too good to be true, let us make a believer out of you.

#### Teach exactly as you wish:

- ✓ Full editing capabilities to customize any question or solution(s)
- ✓ 100% control over every aspect of the question and assignment content with your individually managed copy of the GOAL exam database
- ✓ Quickly build the structure of your course assignments and easily populate your assignments with existing questions
- ✓ 5 assignment types, including randomized questions and written answer responses
- ✓ Classroom/online lecture features, promoting student engagement and "flipped classroom" learning methods
- ✓ Add your own questions or we'll import them for you
- ✓ Select the level of difficulty (or range) for each question or assignment

Assign customized homework, quizzes, and tests.

100% control over questions, solutions and content.

Customized learning.

#### Request a live demo and learn more:

You simply cannot appreciate the power, ease and customization of Academic GOAL without seeing it live. Please contact us to set up a Zoom demo session:

Alysia Lurvey, Director, Academic & Corporate Solutions,  
ACTEX Learning, [alysia@actexamdriver.com](mailto:alysia@actexamdriver.com)

#### Your online classroom tool includes:

- ✓ Automated grading of multiple-choice questions with 100% control over when, or if, grades and solutions are released to students
- ✓ Simple enrollment – students are automatically added to your class roster with one, shared access code per class
- ✓ Analyze performance in multiple ways – by student and/or assignment

#### GOAL with Textbooks

Coming soon for Fall 2020 semester classes – GOAL will be re-aligned to match the structure of popular textbooks and prepopulated with suggested assignments for your review, modifications and use in the classroom.

#### Additional Benefits for Your Students

- ✓ Independent study access to all GOAL questions not selected for use in your classroom (typically 800+ remaining questions, organized by SOA/CAS learning objective)
- ✓ Topic-by-topic instructional videos – released to students concurrently with the answers and solutions
- ✓ STUDENT DISCOUNT: Students can purchase access to Academic GOAL for classroom assignments at a substantial discount when compared to individual access to GOAL

#### Free with ACTEX or ASM Study Manuals

#### GOAL: Practice Questions, Quizzes and Simulated Exams Available for P, FM, IFM, LTAM, STAM, SRM, MAS-I & MAS-II

Free 24-hour trial available.

- 10,000+ exam-style questions.
- 3 levels of difficulty.
- 3 learning modes (practice, quiz & simulated exam).
- NEW GOAL Score: our predictive & diagnostic exam prep tool.
- Free instructional videos, where applicable.
- Available as a stand alone purchase: 6-month access only \$59!

GOAL is an e-learning exam prep tool for students to practice skills learned in class or from independent study. The online platform offers a database of SOA & CAS exam-style problems with detailed solutions. GOAL offers instructor support as well as performance reporting and tracking so you can monitor your progress.

Start your free trial at [www.actexamdriver.com/GOAL](http://www.actexamdriver.com/GOAL)

Flag for review, record notes & email the professor

Monitor difficulty level

Got it wrong? Often there is a simple reason why

## SOA & CAS Approved Online Courses for VEE Credit

Pass Guarantee | On-demand 180-day access | Flexible final exam dates

### Why choose an ACTEX VEE Online Course?

ACTEX offers convenient online courses approved for SOA & CAS VEE credits. All courses are available on-demand. Students complete the courses at their own pace and take the final exams on the date of their choosing. A remote proctor service option is available for CBT final exams.

- **Designed specifically for actuaries.**
- **All course materials included.**
- **Pass Guarantee:** students unable to achieve a passing score may retake the entire course, or the final examination only, one time, at no additional charge.
- **Flexible final exam dates:** our on-demand courses with CBT final exams allow students to choose their exam date and time with no restrictions.
- **Proctoring service:** our VEE courses have a graded final exam requiring a proctor. Students have the option to use a convenient remote proctoring service, ProctorU, for their exam.
- **CBT or Paper & Pencil Exams:** students can arrange a CBT final exam or be mailed a paper and pencil exam.
